By purchasing a seat in a course, class, or workshop, you agree to our terms and conditions of sale.

Entrance Requirements

If you have a camera and the desire to take better photographs with it, you meet our entrance requirements.

Grading System

All courses and classes are PASS or absence of PASS. We do not use a letter-grading or point system.

Standards for Satisfactory Progress

Students should attend 50% of the classes in a course in order to be adequately prepared for the next course. It is possible to make up the work in missed classes in order to meet this standard.

Transferability Policy

All previous training and/or employment is evaluated and may be credited as applicable to shorten the length of your course and/or lower the cost of your course, at our discretion.

Student Conduct and Conditions for Dismissal

Any student conducting themselves in a disorderly or unprofessional manner, which includes use of drugs and alcohol during school hours, dishonesty, disrupting classes, use of profanity, excessive tardiness, insubordination, violation of safety rules, or not abiding by the school rules, will lead to either probation or dismissal from classes.

Student Records

All student enrollment records are maintained by the school for a period of five years.

School Calendar

We operate on a non-traditional term. We do not utilize the conventional academic calendar of quarters or semesters. The most current information about and schedule of upcoming courses and classes can always be found on our website at www.c1mpa.com.

The following holidays are observed and no classes are held:

New Years Day
Memorial Day (last Monday in May)
Independence Day (July 4)
Labor Day (first Monday in September)
Thanksgiving Day (fourth Thursday in November)
Christmas Day

We reserve the right to amend the calendar.

The hours per week vary depending on which course you're enrolled in. Please refer to the detailed schedule of the course in question.

Refund policy:

Payment is due when you register for a course, class, or workshop. Your payment retains your seat. The school reserves the right to reschedule any class or course or change its format. Enrollees will receive a full refund if the school cancels a course, class, or workshop.

Courses, classes, and workshops may include online resources of a proprietary nature that are made available when you purchase and/or register for a class, workshop, or course to start your learning. Per RSA 361-B, you may cancel your purchase any time prior to midnight of the third business day after the date of your purchase and receive a full refund. After that, no refund will be granted.

Enrollment Dates

A student may enroll anytime by purchasing a class, workshop, or course online. The enrollment date is the date of the purchase and/or registration.

Course Start Dates

A course that includes online resources starts when you get access to the online resources. Courses that do not include online resources start when the scheduled classroom session(s) begin.

Student Withdrawal Policy

Students wishing to withdraw from a course, class, or workshop must notify us in writing by letter at our office at 13 Columbia Drive Unit 3, Amherst, NH. The effective date of the withdrawal, used to calculate a refund, if applicable, will be the postmark date or, if written notification is hand-delivered, the date stamped on the letter by the administrator or instructor when they receive it. Electronic delivery is not accepted as a withdrawal notice.

All refunds will be paid within 30 days of written notification of cancellation or withdrawal from a student. Students receiving benefits from federal programs are subject to federal refund policies, rules, and regulations.

Transferability Policy

All previous training or employment by C1M Photography will be evaluated and may be applied, at our discretion, to shorten the length of your course and/or reduce its cost.

Limited Guarantee

We will always make every effort to meet the reasonable needs, requests, and expectations of our students. In fact, we will go out of our way to make students happy. However, there are sometimes circumstances beyond our control, including but not limited to weather conditions, equipment failure, and/or a mismatch between student skills and course level that may prevent students from achieving the results they hope to. (We will, of course, do our absolute best to guide students into the appropriate course, based on an assessment of their abilities, but we leave the ultimate choice of what course to register for in student hands.)

Media Policy

By enrolling in a course, class, or workshop with us, students consent to the use of their likeness in still photo or video format.

Errors and Omissions

We reserve the right to correct any errors or omissions with or without notice.

Student Grievance Policy

We do our best to accommodate our students and to make learning here an easy and enjoyable experience. Any student who has a grievance with the school should first discuss the problem with us. If a resolution is not reached, the student should submit their grievance in writing, requesting a written response. If we are still unable to reach a satisfactory resolution, the student may contact
